25 Acts of Service

Students Serving Community

Bowling Green City Schools

Our Vision

In honor of the 25th Anniversary of the BG Schools Foundation, we would like to encourage the students of BG Schools to give back to their community.

25 Acts

Each student, grades K-12, is invited to perform 25 Acts of Service in our BG Community this school year. We define acts of service as actions done without payment or something in return.

Acts of Service can be performed as part of a school event, such as playground cleanups; as part of an organization such as K-Kids, Scouts, Youth Groups, or BGHS StuCrew; or individually, such as raking or shoveling for a neighbor.

To Participate

Students may use the monthly "Acts of Service" Opportunity Calendars that will be posted on the school and foundations websites, or find their own service events through clubs and/or personal connections.. Please list the acts completed on this pamphlet, and fill out both sides of information. Completed forms can be turned into school offices by 4/30/25 to be eligible for prizes.

Our Partners

The BG Schools Foundation is honored to partner with local businesses and organizations to provide opportunities for service, as well as recognition of students' efforts. More partnerships will be announced as the year progresses:

Recognition & Prizes

Students completing 25 Acts and turning in the completed two-sided form to their school office by 4/30/25 will receive a t-shirt.

All completed entries turned in by 4/30/25 will be entered into a raffle drawing to receive a video gaming system (PS5 or Nintendo Switch) or iPad of up to \$500. Winner will be notified by the Schools Foundation on 5/2/25 to make their prize selection.
